

## IMPORTANT PRODUCT INFORMATION

### SAFETY INFORMATION

Use Responsibly. Read all instructions and safety information before use.

FAILURE TO FOLLOW THESE SAFETY INSTRUCTIONS COULD RESULT IN FIRE, ELECTRIC SHOCK, OR OTHER INJURY OR DAMAGE.

**WARNING:** Improper installation may create risk of injury. Follow all mounting instructions and mount only on stable surfaces. Only use the provided mounting hardware to mount your device. Use caution when installing and mounting your device in an elevated position. Failure to do so may create risk of injury.

The light source of this luminaire is not replaceable; when the light source reaches its end of life the whole luminaire shall be replaced.

**WARNING:** Small parts contained in your device and its accessories may present a choking hazard to small children.

### BATTERY SAFETY

#### **Blink Outdoor 4**

Insert the batteries in the proper direction as indicated by positive (+) and negative (-) markings in battery compartment. Always replace with non-rechargeable AA 1.5V Lithium batteries (lithium metal batteries) like those provided with and specified for this product.

Do not mix used and new batteries or batteries of different types (for example, Lithium and alkaline batteries). Always remove old, weak, or worn-out batteries promptly and recycle or dispose of them in accordance with applicable laws and regulations.

The Lithium batteries accompanying this device cannot be recharged. Do not open, disassemble, bend, deform, puncture, or shred the battery. Do not modify, attempt to insert foreign objects into the battery or immerse or expose to water or other liquids. Do not expose the battery to fire, explosion, high temperature or other hazard. Fires involving lithium batteries can usually be controlled with flooding with water, except in confined spaces where a smothering agent should be used.

If dropped and you suspect damage, take steps to prevent any ingestion or direct contact of fluids and any other materials from the battery with skin or clothes. If a battery leaks, remove all batteries and recycle or dispose of them in accordance with battery manufacturer's recommendations. If fluid or other material from the battery comes into contact with skin or clothes, flush skin or clothes with water immediately. An open battery should never be exposed to water, as fire or explosion may result from exposure to water.

#### **Blink Outdoor 4 Floodlight Mount**

Failure to insert batteries in the correct polarity, as indicated by positive (+) and negative (-) markings within the battery compartment, may shorten the life of the batteries or present a risk of fire, explosion, shock, chemical leakage, or other hazard. Always replace with new 1.5V alkaline D (LR20) sized batteries.

Do not mix used and new batteries or batteries of different types (for example, lithium and alkaline batteries).

Keep all batteries out of reach of children. Do not open, disassemble, puncture, cut, bend, shred or heat the batteries and do not allow metal objects to touch the battery terminals on the remote as they can become hot and cause burns. Remove all batteries if they are worn out or before storing your device for an extended period of time.

Promptly dispose of all used batteries in accordance with applicable laws and regulations. Do not dispose of batteries by throwing them into a fire. If a battery leaks, remove all batteries and recycle or dispose of them in accordance with the battery manufacturer's recommendations. Fluid from the battery can burn skin and damage clothing. If battery fluid comes into contact with skin or clothes, flush with water immediately. Improper handling or disposal can result in injury. Remove the batteries and clean the battery compartment in accordance with the battery manufacturer's recommendations.

### **Additional Safety Information**

Your Blink Sync Module 2 is for indoor use only. Do not expose your Blink Sync Module 2 or adapter to liquids. If your device or adapter gets wet, carefully unplug all cables without getting your hands wet and wait for the device and adapter to dry completely before plugging them in again. Do not attempt to dry your device or adapter with an external heat source, such as a microwave oven or a hair dryer. If the device or adapter appear damaged, discontinue use immediately. Use only accessories supplied with the device to power your device.

Your Blink Outdoor 4 and Blink Outdoor 4 Floodlight Mount can withstand outdoor use and contact with water under certain conditions. However, your device is not intended for underwater use and may experience temporary effects from exposure to water. Do not intentionally immerse your device in water. Do not expose your device to pressurized water, high velocity water, or extremely humid conditions (such as a steam room). Do not expose your device or batteries to salt water or other conductive liquids. To protect against electric shock, do not place cord, plug, or device in water or other liquids. To avoid risk of electric shock, do not touch your device or any wires connected to your device during a lightning storm.

### **PRODUCT SPECIFICATIONS**

**Device Name:** Blink Outdoor 4

**Model Number:** BCM00500U

**Electrical Rating:** 2 x 1.5V AA Lithium Metal batteries, 5V DC, 1A

**Operating Temperature:** -4°F to 113°F (-20°C to 45°C)

**Device Name:** Blink Outdoor 4 Floodlight Mount

**Model Number:** BAS0410U

**Electrical Rating:** 4 x 1.5V D alkaline batteries

**Operating Temperature:** -4°F to 113°F (-20°C to 45°C)

**Weight (with batteries):** 1005 g

**Overall Dimensions:** 262 x 137 x 97 mm

**Maximum Projected Area of the Floodlight:** 100 m<sup>2</sup>

**Device Name:** Blink Sync Module 2  
**Model Number:** BSM00400U, BSM00401U  
**Electrical Rating:** 5V DC, 1A  
**Operating Temperature:** 32°F to 95°F (0°C to 35°C)

#### **Supplier's Declaration of Conformity – Compliance Information Statement**

**Device Name:** Blink Outdoor 4  
**Model Number:** BCM00500U  
**Device Name:** Blink Outdoor 4 Floodlight Mount  
**Model Number:** BAS0410U  
**Device Name:** Blink Sync Module 2  
**Model Number:** BSM00400U, BSM00401U

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Responsible Party and Party issuing Supplier's Declaration of Conformity:  
Amazon.com Services LLC, 410 Terry Avenue North, Seattle, WA 98109, U.S.A.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
  - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
  - Consult the dealer or an experienced radio/TV technician for help.

Pursuant to Section 15.21 of the FCC rules, changes or modifications to a Product by the user that are not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

The device meets the FCC Radio Frequency Emission Guidelines. Information on the product is on file with the FCC and can be found by inputting such Product's FCC ID (which can be found on the device) into the FCC ID Search form available at [fcc.gov/oet/ea/fccid](http://fcc.gov/oet/ea/fccid).

This device complies with radio frequency radiation exposure limits set forth for an uncontrolled environment. The antenna(s) used for this transmitter must be installed to provide a separation distance

of at least 20 cm from all persons and must not be co-located or operating in conjunction with any other product antenna or transmitter.

#### **Innovation, Science and Economic Development Canada (ISED) Compliance**

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions: (1) This device may not cause interference. (2) This device must accept any interference, including interference that may cause undesired operation of the device.

#### **Information Regarding Exposure to Radio Frequency Energy**

This equipment complies with IC RSS-102 RF exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20 cm between the radiator and your body.

CAN ICES-005 (B)

#### **RECYCLING YOUR DEVICE PROPERLY**

In some areas, the disposal of certain electronic devices is regulated. Make sure you dispose of, or recycle, your device in accordance with your local laws and regulations. For information about recycling your device, go to [www.amazon.com/devicesupport](http://www.amazon.com/devicesupport).

#### **ADDITIONAL SAFETY & COMPLIANCE INFORMATION**

For additional safety, compliance, recycling and other important information regarding your device, please refer to the Legal and Compliance section of the About Blink menu in the Settings in your app or on the Blink website at <https://blink.com/safety-and-compliance>.

#### **BLINK TERMS & POLICIES**

By purchasing or using the product, you agree to the Terms of Service found at <https://blink.com/blink-terms-warranties-and-notices>.

For information on our warranty and any other applicable policy, visit <https://blink.com/blink-terms-warranties-and-notices>.
